A: No. Before and after school care is included as part of your child's tuition. There is no additional fee to utilize this service. ## ADMISSIONS/TUITION FAQ

**Q: If I am offered admission, how soon do I need to make my decision?**

A: Contracts must be signed and a 10% deposit paid within 72 hours of receipt of the contract to secure your child's seat for the following year. You will receive an email with instructions for signing your contract and paying the deposit shortly after receiving your acceptance letter.

**Q: What are my tuition payment options?**

A: Tuition is \$27,750 per year. A non-refundable 10% deposit is due at the time of signing your contract. This amount is deducted from the total tuition cost, not on top of tuition owed. After signing your contract, you will complete a tuition agreement contract due within 7 days of receipt where you can choose to split the remaining tuition balance between 1, 2, or 10 installments .

- Option 1: remaining tuition balance is due May 1, 2024
- Option 2: remaining balance is split into two installments due May 1, 2024 and December 1, 2024
- Option 3: remaining balance is split into 10 payments, due in monthly installments from May 1, 2024 through February 1, 2025

**Q: Do you offer discounts for younger siblings when they are ready to apply?**

A: Younger siblings are given priority admissions and receive a 10% reduction in tuition while their older sibling is enrolled.

**Q: Is tuition insurance required?**

A: Tuition insurance is required if you choose to pay your tuition in installments (options 2 or 3). It is optional for those who pay the entire balance up front.

**Q: What does tuition insurance cost?**

A: Tuition insurance is paid in one installment of \$500 per student at the time of signing the tuition agreement.

**Q: How does tuition insurance work?**

A: After a student has attended school a minimum of 14 days of the insured school year, if they are dismissed or required to withdraw from school for medical or personal reasons, tuition insurance will come into effect to help offset the cost of tuition. The plan will pay 70% of the unused tuition fees if withdrawal is for medical reasons or dismissal from school, or 60% for anything other such as moves, financial hardship, or voluntary withdrawal. Families will be responsible for the remaining 30% or 40% of tuition respectively.

**Q: What if I sign the contract and then we have a family emergency, need to move, or choose a different school prior to the start of school? Can I cancel my contract and financial obligations?**

A: We have a few options in place to ease the financial burden should something happen that would require withdrawal from your school contract. When you sign your contract by March 24, 2023, you pay a 10% non-refundable deposit to secure your spot at Cascadia for the following year.

- If you withdraw your student before April 1, 2024 you will only be responsible for the 10% deposit already paid and will not owe any tuition beyond that.
- If you withdraw between April 1 and May 1, 2024 you will be responsible for 50% of the tuition for the year minus the deposit paid.
- If you withdraw anytime after May 1, 2024 you will be responsible for 100% of the yearly tuition minus the deposit paid.
- If you must withdraw during the school year, tuition insurance will cover from 60%-70% of tuition owed.
